BT - Can Do.

INNOVATIVE DISTRIBUTION SOLUTIONS, DRIVEN BY SERVICE

The BT Group with its Transport & Logistics Division is a proudly family-owned business with over 45 years of experience in the Australian Transport and Logistics Industry. We are a well-established national logistics provider with direct access to depots located in all capital cities and major provincial towns.

We also offer specialised cubic freight transport services through LDJ Logistics who joined the BT Group in 2016.

flexible solutions reliable results

FOR ALL YOUR LOGISTICS NEEDS

BT provide complete transport and logistics solutions including route planning, state permits, overhead utility clearances, council approvals, pilot escorts and police escorts. Additionally, we offer integrated, flexible offsite storage options in all capital cities. BT operate and maintain a large core fleet of over 250 pieces of equipment, including modern prime movers equipped with IVMS, floats and specialised trailing equipment and we utilise the rail, sea and air networks to ensure optimum distribution solutions are achieved.

WHY CHOOSE US:

- * With nearly five decades in the industry, we are a trusted partner of many clients
- * We have substantial experience and know-how in specialised transport and logistics
- * We customise our service offerings and pricing structure to cater for your specific requirements
- * We are committed to a transparent communication process that allows for optimised project planning, problem solving and performance monitoring
- * We are innovative and dedicated to continuous improvement and Best Practice

Responsiveness and flexibility are key factors to competitiveness, and they require transparency and effective communication. Therefore, at BT you enjoy direct access to all levels of management within our company.

OUR SERVICES INCLUDE:

- * OVER-DIMENSIONAL SERVICES
(IN-GAUGE AND OUT-OF-GAUGE,
LONG, WIDE AND/OR HIGH LOADS)
- * HOT SHOT DELIVERIES
- * ROAD TRAIN SERVICES
- * GENERAL FREIGHT
- * STORAGE & WAREHOUSING
- * 3RD PARTY LOGISTICS (3PL)
- * HEAVY HAULAGE
- * RAIL & SEA FREIGHT HANDLING
- * PROJECT MANAGEMENT
- * CONSULTING SERVICES
- * RIG MOVES
- * DEFENCE & MILITARY LOGISTICS
- * CONTAINER & CUBIC FREIGHT

**ALL SERVICES ARE AVAILABLE
NATIONWIDE, INCLUDING REMOTE
AREAS.**

SAFETY & COMPLIANCE

Safety and compliance are paramount to us, and we are aware of our role in the **Chain Of Responsibility**. Safe work practice is always our priority, and we are committed to improving our safety performance every day. For that reason, we have made safety a core element of our company's vision and values.

OUR TRANSPORT & LOGISTICS CAPABILITIES:

- * Extensive fleet capacity—flexible availability nationwide
- * Uplift and delivery anywhere in Australia
- * Mobilisation and demobilisation of projects within tight timeframes
- * Airside / Wharf-side 'load master' services
- * Over-dimensional distribution
- * Capital city and remote crane services
- * Provision of any kind of specialised equipment needed
- * Permits, authorisations, escorts and pilots
- * Logistics network design and consultancy
- * Consolidation / Deconsolidation

STATE OF THE ART TECHNOLOGY

We use two web-based programs, Logchecker and Fleetminder, to manage fatigue and for GPS tracking. All our vehicles are equipped with IVMS and the Translogix software gives us live tracking on all equipment.

Solid Value Propositions

direct performance to your business

At BT, we provide Australia-wide innovative distribution solutions, driven by service. By combining our highly skilled personnel, IT platform, Quality Management System, physical assets and distribution expertise, we offer integrated transport solutions that are service orientated and executed at the best total cost.

We believe that an intimate understanding of the customer's business and their needs and expectations is an essential factor for achieving service excellence. We are committed to surpassing customer expectations; therefore we strive to develop close working relations with key client representatives and their customers' personnel.

We are proactive in developing innovative solutions, embracing legislative changes and technological advancements, which makes us highly responsive to the changing needs of our clients.
